

SINGAPORE SUSTAINABILITY DIRECTORY 2012 LISTING REGISTRATION FORM

Dear *Organizations, Businesses and Companies,*

The convergence of high oil prices, climate change concerns and energy security interests has fostered a surge of global interest in clean energy and sustainable development, including Singapore. In our business context, Sustainable Development refers to the achieving of sustainability through the use of energy efficient solutions and/or clean & green technologies. It is a broad, cross-sectoral industry spanning both vendors and end-user companies and businesses in areas such as:-

- | | | |
|-------------------------------------|--------------------------------------|--|
| i) Clean/Renewable Energy | ii) Energy Efficiency | iii) Green Computing / IT |
| iv) Waste Management & Recycling | v) Sustainable Water Solutions | vi) Environmental & Resources Management |
| vii) Green Finance & Carbon Trading | viii) Sustainable Business Practices | ix) Other supporting sectors such as consultant project management, training, etc. |

Since 2008, Singapore Business Federation (SBF) has published the Singapore Sustainability Directory (formerly known as Singapore Sustainable Development Industry Directory), comprising a comprehensive listing of a few hundred companies across more than 30 different sustainable development industry sub-sectors focused on green practices and in the business of providing clean and green solutions.

The directory is also supported by Building & Construction Authority (BCA), Economic Development Board (EDB), Energy Market Authority (EMA), Infocomm Development Authority of Singapore (IDA), International Enterprise (IE) Singapore, National Environment Agency (NEA), PUB and SPRING Singapore as well as our business and industry partners, and is aimed at generating greater consciousness and interest towards Sustainable Development and serving as an enabling platform to facilitate, promote and support green business opportunities.

Listing in the directory is free, and in appreciation of your participation, a complimentary copy will be given to you once published. The next directory is slated to be launched in Jul 2012 during World Cities Summit, which will be held in conjunction with Singapore International Water Week and Clean Enviro Summit Singapore and WasteMET 2012. Deadline for registration for companies is 31 Mar 12.

Thank you.

Yours sincerely,

Patrick Chan
Director, Industry Development
Singapore Business Federation

Please tick boxes that are related to your industry (Tick multiple boxes if applicable):

Clean and Renewable Energy Companies

- Clean and Renewable Energy**
 - All sources
 - Biomass
 - Biofuels
 - Biogas
 - Compressed Natural Gas (CNG)
 - Geothermal
 - Hydrogen & Fuel Cells
 - Natural Gas
 - Photovoltaics
 - Solar
 - Small hydro
 - Wave/tidal
 - Waste-to-Energy
 - Wind
 - Others:

- Energy Efficiency**
 - All Areas
 - Buildings & Real Estate
 - Energy Management Systems
 - Industry & Manufacturing
 - Heating, Cooling & Air-Conditioning
 - Appliances
 - Lighting & Lighting Controls
 - Transport & Logistics
 - Energy Transmission And Distribution Efficiency
 - Others: _____

- Green Computing/IT**
 - All Areas
 - Data Centres
 - Desktop
 - Power Monitoring & Management
 - Processors
 - Server Types & Form Factors
 - Thin Clients
 - Virtualization
 - Storage
 - Disposal & Recycling
 - Lifecycle Management
 - Others: _____

- Environmental Trading & Exchanges**
 - Carbon Market & Carbon Trading
 - Alternative Fuel (Lng, Biofuel) Trading
 - Other Environmental And Emission Trading & Exchanges
 - Others: _____

- Waste Management & Recycling**
 - Automated Waste Collection System
 - Biodegradable Solutions
 - Contractors – Incineration Plants
 - Contractors – Sewage Treatment Plants
 - Hazardous Waste Management
 - Recycling – Bio-conversion
 - Recycling – Centres
 - Recycling – Construction Waste
 - Recycling – Copper
 - Recycling – Electronics
 - Recycling – Food Waste
 - Recycling – Horticultural Waste
 - Recycling – Metals
 - Recycling – Oil & Sludge
 - Recycling – Paper
 - Recycling – Plastics
 - Recycling – Rubber
 - Recycling – Scrapped Tyres
 - Recycling – Wood
 - Toxic Waste Collectors
 - Waste Disposal
 - Waste Disposal Equipment
 - Waste Management
 - Others: _____

- Water & Waste Water Treatment**
 - Analytical Instruments
 - Chemicals
 - Contractors – Waste & Waste Water Treatment Plants
 - Control & Control Systems
 - Desalination Plants

- Environmental Monitoring Equipment
- Membranes
- Oil Slop & Sludge Treatment
- Oily Water Separation
- Pipes & Pipe Fittings
- Piping Systems
- Plumbing Fixtures
- Pumps
- Scrubbers
- Valves
- Water & Waste Water Treatment
- Water Filters
- Water Ionizers
- Water Purification
- Water Treatment Systems
- Others: _____

Environmental Conservation Products, measurements, determinations, analyses and test equipment

- Analytical Services & Instrumentation
- Meters & Measuring Instruments
- Others: _____

Power Generation

- Co-Generation (CHP) & Tri-Generation
- Distributed Generation
- Production Of Heat
- Production Of Electricity
- Advanced Power Systems
- Others: _____

Other Sustainable Development sectors

- Agriculture
- Oil & Gas
- Chemicals
- Others: _____

Supporting Industries

Specific Sustainable Development Areas of Service and Consultancy

- Joint Implementation, CDM, Green Investment Scheme
- Energy Services Companies (ESCOs)
- Management and Project Consultancy
- Compliance, Consulting, Testing & Validation
- Others: _____

Other Services – Engineering, Logistics and Manufacturing

- Architectural, Planning & Engineering Services
- Information Technology
- Logistics and Supply Chain Management
- Manufacturing, Engineering & Component Suppliers
- Plant Building & Construction
- Plant Maintenance
- Pollution Control
- Process Control & Instrumentation
- Process Plants – Turnkey Projects
- Other Engineering, Logistics and Manufacturing Services
- Others: _____

Other Services – Consultancy

- Consultants – Energy Efficiency
- Consultants – Environmental Sustainability
- Consultants – ISO Certification
- Consultants – Power Generation Plants
- Consultants – Risk Management
- Consultants – Water & Waste Water Treatment

Other Consultants: _____

Other Services - Financial/Legal/Accounting/HR/Information

- Financing Of Clean Energy
 - Corporate Finance
 - Carbon Finance
 - Preparation Of Initial Public Offerings (Ipos)
 - Risk Evaluation And Structuring
 - Finance: Risk Mitigation Tools
 - Credit Enhancement Tools, Guarantees
 - Insurance Instruments
 - Export Credit Guarantees
 - Finance: Project Preparation And Structuring
 - Preparation Of Project Documentation And Funding Memoranda
 - Preparation Of Business Plans And Financial Modelling
 - Finance: Project Finance
 - Debt
 - Equity
 - Venture Capital, Mezzanine Finance
 - Development Finance
 - Export Finance
 - Finance: Preparation And Negotiation Of Project Contracts
 - Engineering, Procurement And Construction (EPC) Contracts
 - Operations And Maintenance (O&M) Contracts
 - Power Purchase Agreements (Ppas)
- Accounting & Audit
- Legal Services
- Intellectual Property Management
- Facility Providers
- Incubators
- Manpower Recruitment and Human Resource Management
- Risk Management
- Others : _____

Training & Research Institutions

- Academic Institutions
- Research Institutes & Centres
